Hot Coffee

FILTER PACKS

Ellis Makes Coffee Easy

Our new Hot Coffee Filter Packs make coffee easy, convenient, and a lot less messy. The great Ellis coffees you love – made with utmost care and exceptional quality – are now available in filter packs. For use in traditional brewers, there are no loose grounds to spill, nothing to measure, and cleanup is a snap.

*All you do is enjoy!
It's easier than ever to choose Ellis coffee.*

Ellis Coffee Company is a fourth generation family-run business with a long and rich history dating back to 1854.

The Coffees Your Customers Love Are Now Available In Filter Packs

	ROAST	BODY	INTENSITY	
 Dock Street				 100% Colombian
	One of our darkest Heritage roasts, blended with Guatemalan beans to provide an intense flavor and rich heavy body.			Colombian Federation authorized 100% Colombian coffee. Roasted with only UGQ beans providing a balance of acidity and body.
	ITEM#: 32033355			ITEM#: 11022334
	ROAST	BODY	INTENSITY	
 William Penn				 William Penn Decaf
	Another popular House Blend , blended for a rich flavor and a slightly more intense finish.			The decaffeinated version of our William Penn blend, known for its full flavor.
